

# Origami Little House

origami-fun  
www.origami-fun.com

1. Start with a square piece of paper, white side up. Fold the paper in half, then in half again in the opposite direction.

2. Fold the paper in half, crease well and open, and then fold again in the other direction.

3. Now fold the outer edges in to the center line. Crease well.

4. Fold the top edge down to the centre line and open out again.

5. Take the inside flap and fold down along the crease shown, to the outside edge. Flatten.

6. Repeat on the other side, and flatten.

7. Turn Model over and fold the bottom edge up to the bottom of the roof. Open it out partially. This is the stand for the house.

Finished Little House.

If you draw a little door and little windows, it makes a very cute house indeed!
